INFORMATION DISCLOSURE STATEMENT

37 CFR §§1.97, 1.98

COMMISSIONER FOR PATENTS
Alexandria, VA 22313-1450

Sir:

Pursuant to 37 CFR §1.97, relating to the filing of an Information Disclosure Statement, the Applicant hereby submits the following in compliance with the duty of disclosure as set forth in 37 CFR §1.56.

Information or art known to the Applicant and having an extent of relevance to the present application has been listed on PTO Form 1449 attached hereto. It includes sixteen (16) United States patents and one (1) European patent. The Applicant has employed PTO Form 1449 for the purposes of convenience of the Office and the Examiner. Copies of these references have not been enclosed because the patent application was filed after June 30, 2003.

No representation is made that the information is non-cumulative, nor that the information represents the only or the best information. The Applicant does not admit that any of the information he has provided is necessarily prior to his invention but rather that it is information of which he is aware and that he believes should be provided to the Office in fulfillment of his duty of disclosure. Any question that may arise regarding priority of a specific reference shall be resolved during prosecution.

It should be evident that none of the art provided herein accomplishes the objects of the present invention. The Applicant believes that the claims of the subject application are patentably distinct over the art of record. In the event the Examiner would care to discuss any of the disclosed art more specifically, the undersigned attorney would welcome a telephone call.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Shannon V. McCue', written over a horizontal line.
